

ViewSonic® Digital Photo Frames

2008

DPX804BK

Stylish Photo Frames.

Relive your life's most precious moments with ViewSonic® Digital Photo Frames. It's the easy way to take all your favorite digital photos from your computer, camera or thumb drive and proudly display them in a slideshow horizontally or vertically. Customize your own slideshow with your favorite photos. Some models include a speaker so you can add your favorite background music.

These beautiful photo frames make great gifts for weddings, baby showers, graduations, anniversaries, birthdays, holidays or any other gift-giving occasion that calls for a truly memorable gift.
